

Save our Pubs

The Furze Platt Action Group (FPAG) fought long and hard to lessen the impact of the new Tesco Express at the site of the Golden Harp in Maidenhead. Permitted development laws meant that the 20 year lease was secured before anything could be done about it. No amount of public protest, listing the pub as an Asset of Community Value (ACV) or applying for an Article 4 direction could prevent the loss of another much loved local.

If you would like to protect your local from suffering the same fate as the Golden Harp in the future please sign our HM Government e-petition:

"That the Government help protect community pubs in England by ensuring that full planning permission and community consultation are required before community pubs are allowed to be converted to betting shops, supermarkets and pay-day loan stores or other uses, or are allowed to be demolished."

If you can spare the time please sign the petition and share it with as many friends and groups as you can via facebook, twitter (#saveourpubs), and emails etc.
